# About Impressions Gallery

Impressions Gallery is a charity that helps people understand the world through photography. Established in 1972 as one of the first specialist photographic galleries in Europe, we bring the best of current photographic work to audiences in Bradford. We show at least four exhibitions a year, alongside a year long programme of events and educational activity making photography accessible to all.

## Access

Impressions Gallery is in Centenary Square, opposite City Hall overlooking City Park. Our main entrance is at the Godwin Street end of the building. Alternatively you can access the gallery through our neighbouring venue City Library. The gallery is on the first floor behind the Bradford Big Screen. The gallery is fully accessible via a passenger lift to the first floor in the ground floor entrance area. There are toilets on the first floor, plus an additional separate disabled toilet.

### **Mother River**

**Yan Wang Preston**

31 March to 24 June 2017

*Mother River* is a photographic odyssey taking the viewer on a journey along the entire length of the Yangtze, often known as China's Mother River. This new exhibition, commissioned in partnership with Gallery of Photography Ireland, offers fresh perspectives on China, where traditional landscape clashes with present-day development.
