Education and Learning Programme

Community and Youth Groups

Gallery tours and activities

We welcome a wide range of groups to the gallery by offering tours, workshops and activities which are tailored to the specific needs and requirements of the group depending on age and ability. Activities will vary dependent on the current exhibition, but we aim to introduce groups to the work on show in the gallery. For further information on the activities on offer, please call or email the gallery.

1hr session. £55. Max group 25

Partnership projects

We work in partnership with schools, colleges and youth organisations to deliver a range of exciting projects that link in with our exhibitions and support teaching within the school. From outreach projects to groups planning and delivering exhibitions, we aim to encourage opportunities to work beyond the classroom and give schools and colleges the chance to build sustainable relationships with us while supporting and nurturing learning outside the classroom.

If your School, College or organisation is interested in funding a project with Impressions Gallery, please call Education Manager Sarah Deane on 0845 0515 882 or email: sarahdeane@impressions-gallery.com
