

## Shape the Future and Create Something New

### WHAT IS IMPRESSIONS GALLERY AND WHAT DO YOU DO?

Impressions Gallery is located in the heart of Bradford's city centre, overlooking the brand new City Park. We're one of the UK's leading independent venues for photography and we run a changing programme of free exhibitions, talks and events throughout the year. Impressions is for everybody and we are committed to making sure young people use and enjoy the gallery.

### WHAT IS NEW FOCUS?

New Focus is Impressions Gallery's Young People's Advisory Board. We are now looking for new talented and committed individuals who live, work or study in Bradford and are aged 16 to 25, with an interest in photography to guide our work and help us think of new ways to reach young people. All New Focus members will have the opportunity to choose between different job roles such as blogging, photography, events organising and marketing, giving members the opportunity to really specialise in an area of their choice.

### NEW FOCUS SO FAR

New Focus latest project was in collaboration with Art in Yorkshire, the team directed a video to coincide with the exhibition *Personal Best* by Paul Floyd Blake. The video was then available to download on an award winning app it was also shown in the gallery throughout Summer 2012.

*New Focus has given me the opportunity to meet people I never would have from athletes to photographers* Hayley Sargent, New Focus member.
