

National Media Museum Half Term

Get creative this half term with The Big Draw Highlight Event. Join in with lots of exciting activities and discover fun scientific uses of light and drawing. Be inspired by coding workshops and real life scientists who use drawing in lots of different ways. Visit the website for further details. www.nationalmediamuseum.org.uk/light

THE
BIG
DRAW

Sat 24 Oct - Sun 1 Nov
10am - 4pm free

Tinkering with Film

Help us to make a very special group movie by drawing, scratching and doodling on strips of film. All of the pieces will be joined together and the finished film premiered Sun 1st Nov.

Play Paper Sounds

Discover how you can use light to make music with this very special activity inspired by our artists in residence, Noise Orchestra.

Digital Doodles

Draw a picture with pixels in this simple and fun coding workshop. Discover how to use Arduino software and DIY Gamer kits to create your own digital masterpiece.

Light Drawing

Discover how to manipulate light to make your own art works with these live, interactive demonstrations.

Drawing Differently: Ask the Experts

Be inspired by scientists, artists and makers who use drawing in their jobs. From engineers to animators, architects to illustrators, discover what they do, how they do it and how you can do it too!

Play the Collection with Noise Orchestra

Join in with a very special workshop led by our artists in residence. Create paper stencils inspired by the kit in our collection, and then spin them on turn tables to make your own electronic music.
