

Discovery worksheet: *Bringing the Beat Back to Bradford*

Completed by:.....

Choose a photograph or object in the exhibition that interests you. Can you tell us why?

Is there a story about the photograph or object? What did you find out?

How does the photograph or object make you feel?

Choose three words to describe the photograph or object:

How is the photograph or object displayed? Why do you think it's presented like this?
What effect does it have when people look at it?

What else is presented next to the photograph or object? How does this help to tell a story?
